September - Life Insurance Awareness Month

Scott Hamilton
for Life Insurance
Awareness Month

"Life Happens...Are You Prepared?"

Life Insurance Awareness Month is a national campaign to inform Americans about the benefits of life insurance - and the important role it plays in helping to provide a *better way of life* for businesses, families and individuals.

Penn Mutual is proud to be part of this third annual event that illustrates the dramatic difference life insurance can make in our everyday lives.

The five steps outlined below in our checklist can help you prepare to discuss your financial needs with your financial professional.
